2 The proposal now is to allot a plot of ground measuring 2482 sq. yds free of cost for erecting a school-building for the school. The Board of Trustees have power to alienate immoveable properties which may have become vested in or acquired by them (vide sec 25 (2) of the City of Mysore Improvement Act). It is not therefore clear why this reference has come up to Govt. Very probably the lands under reference have not been vested in the Board under sec 24, and have not been acquired by them. Draft proceedings granting the land to the school free of cost subject to certain conditions is submitted for approval or other orders. The draft may be approved.

SUBJECT

Re the free grant of 2,482 square yards of land in Block No. Krishnaraj Mohalla, Mysore City, Dalvoy's Anglo-Sanskrit School constructing a school building.

School-building which has been approved and is sent herewith for favour of perusal and obliging return, the Head-master -- pleaded that the extent north to south of the site already -- given was insufficient, it being only 89 feet at the widest part and 53 and 48 feet respectively at its either ends, -- while a uniform length of about 80½ feet was the actual ---- requirement for the building alone without any space for the compound, and he applied for an additional piece of land to the north of the site already granted, which comprises the -- site of a conservancy lane and the Trust land, measuring in all 783 square yards And this is indicated in ~~blue~~ red in the accompanying sketch

Considering the good condition in which this ---- education institution is, and the prospective help it is likely to receive from some leading merchants of the City ---- through the influence and exertion of its Head-master, Mr V Krishna Rao, the Board of Trustees are of opinion that the said additional piece of land may also be granted free of cost for the School

The total extent of land that is to be granted for the said School is thus 2,482 square yards

1699 + 783 = 2482 Sq yds

I solicit the early orders of Government

in confirmation of the acts of the Trust Board under the provisions of Sec 25(2) of the City of Mysore --- Improvement Regulation, in the matter of granting free of cost 2,482 square yards of land to the said Anglo-Sarskrit School with the conditions specified in the agreement executed by its Head-master, and referred to above

I have the honour to be,

Your most obedient servant,
